THE IMPEACHMENT.

York Sun Reporter. Ben. Butler was recently inter-viewed by a New York Sustreporter, at the Astor House, New York. The

General Butler—Yes, yes; I think I feets, with the exception of his valet, have seen all that has appeared. At in whom he placed implicit confising rate, I have seen what the Cincinnati Gozette has said, and a most absurd collection of falsehoods it is, as far as I am concerned. You must know that there is an animus here. Boynton, the Washington correspond-ent of the Gazette, hates me, for no am a good triend to Gen. Howard, and the reason that should make him acts of my own, but simply because hate me is a church quarrel that oc carred between his father and Howard some two years are. It is a well-known affair that he pitched into Senator Harris for the same reason.

the pledges which Johnson gave them vention. as to his good behavior in the case of acquitta), and that on these conditions the agreed to vote against the im- ville Public School teachers for Depercharent articles. But I did not cember has been raised, and in the know they had advised the use of hands of the School Board. The money to bring about acquittal, I feit satisfied that Henderson had received money for his vote, but had probable, not proof sufficient to bring it home to him. If done at all, the thing must, of course, have taken place as secretly as possible. Reporter-What share did Wen-

deli have in these transactions, Genea very important figure in the story; cuniary condition.

the proceedings of Johnson's friends?

Buller—No, sir; no—not a word of truth in it. A very silly story it is, all the conspicuous persons implicated in the drawback frauds, the Times says, with two exceptions, have the national safety of the United States demands the acquisition of all states demands the acquisition of all truth in it. A very silly story it is, all been taken as Government witnesses. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses. States demands the acquisition of all through. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses. States demands the acquisition of all through. Sensible men don't skulk been taken as Government witnesses.

Inclined to think Wendell has been ders of the United States, and that paring is to consist of fiftee hoaxing Boynton. You know Wen- there was no conversion. The decisdeli loves a good joke, or any joke at all, and Boyatea will jump at any story he can send to the Gazette about neyself or any of Howard's friends. It is possible that Wendell was himself the decision is that a broker who sells out his customer's stock, after his margin is gone, but without giving houxed Boynton. This isn't the first stock Boynton, has represend a principal is liable to the mistage for the possible to the present the first story Boynton, has represend a principal is liable to the mistage for the best property of the first story Boynton, has represend a principal in the Court of Appeals yesterday. The substance of the customer for the principal in the Court of Appeals yesterday. The substance of the decision is that a broker who sells out his customer for the principal in the Court of Appeals yesterday. The substance of the decision is that a broker who sells out his customer's stock, after his margin is gone, but without giving him notice of time and place of sale, story Boyaton has isbricated against is liable to the customer for the highest price of stock down to the time of the sale, because the customer owns of internal Revenue, a year ago, and published them in the Cincinnati Genetic. This ex-superintendent fancied he had been turned out of office by my influence, and retailing in

Butler-No, sir; I never answer stories that are set affoat in the news-papers. Life is short, you know, and leges that her husband habitually I wouldn't have time to reply to them all in this world. I would in no way have answered this last story either. Nation raised during my Massachusers campaign, calling on me to vindicate my character, and so forth.

Now there was an aproper the Source of the Lord to the Lord

was merely a wager.

Reporter—It has been said here that at the time of your researches in thes underhand business you took testimony to report to the House as you pleased. That at one time you had witnesses sworn, and at others did not —so that you might choose what you pleased for publication.

Telegraphic summary in the Womepegs would rely upon any material aid from such an expedition, as it may exist only on paper.
